Skills

- Analysis
  - Exploratory Data Analysis
  - Statistical Analysis
  - Data Cleaning
  - Data Processing
  - Regression
  - Classification
  - Clustering
  - Data Mining
  - Data Extraction
- Engineering
  - Relational Databases
  - SQL Server
  - Big Query
  - APIs
  - ETL/ELT
  - PostgreSQL
  - Airflow
  - Kafka
  - Dask
  - PySpark
- Languages and Scripting
  - SQL
  - Python
  - R
  - Bash
  - JavaScript
- Spreadsheets
  - Excel
  - Google Sheets
  - App Scripts
- Visualization
  - Tableau
  - Power BI
  - DAX
  - PowerPoint
  - Matplotlib
  - Seaborn
  - Folium
  - Dash
- Soft Skills
  - Collaboration
  - Communication
  - Problem Solving
  - Presentation
- Project Management
  - Agile
  - Scrum
  - Jira JQL Reports
  - Git Version Control

Education

The University of Texas at Austin | Doctor of Pharmacy | August 2012 to May 2016

Certifications

IBM Data Science | September 2022 to January 2023

Goggle Data Analytics | April 2022 to September 2022

Experience

Pharmacist

Sam's Club | February 2019 to April 2022 | Medication Therapy Management in partnership with insurance providers, purchasing and marketing strategy based upon KPIs and P&L statements, team communication, provider collaboration, patient counselling, insurance claims
